FOR IMMEDIATE RELEASE

**WOLFSON CHILDREN'S HOSPITAL AND NEMOURS TO SUPPORT INAUGURAL ATLANTIC BEACH
RACE FOR FETAL HOPE**

Atlantic Beach, FL, October 5, 2009 – The inaugural Atlantic Beach Race for Fetal Hope, a 5K run/walk to raise funds to increase awareness and research about fetal distresses and syndromes, will take place Saturday, October 24. The event starts at 8 a.m. at Atlantic Theatres. Wolfson Children's Hospital, the region's pediatric referral facility, and Nemours, one of the nation's leading pediatric health systems, are supporters of the event.

"Wolfson Children's Hospital is pleased to support such events that advocate for the care and wellbeing of infants and children," said Larry Freeman, administrator, Wolfson Children's Hospital.

The event is proud to partner with leading medical facilities and will focus not only on the 5k run/walk, but will also offer the free Lender Processing Services Kids Fun Run and NOMOTC Family Festival geared at celebrating life and honoring those lost. A Survivor and Angel Ceremony will be held to celebrate and honor all of the children affected by fetal syndromes. A fetal reunion with Dr. Ruben Quintero and his staff will follow and conclude the day's events.

"Nemours Children's Clinic is proud to be a sponsor of the inaugural Atlantic Beach Race for Fetal Hope," stated Chip Cover, Administrator, Nemours Children's Clinic Jacksonville.

All proceeds of the event will benefit the Fetal Hope Foundation, a national non-profit organization with a mission of providing support and information, funding research, increasing awareness and serving as an outlet for leading medical information pertaining to fetal distresses and syndromes.
